

Constitution

BMES Student Chapter Toronto Metropolitan University

Article I. Name

This organization shall be known as the Toronto Metropolitan University BMES Student Chapter, hereinafter called the “chapter” which shall have been granted a charter by the Biomedical Engineering Society.

Article II. Objectives

The object of the chapter shall be to promote the profession of biomedical engineering through the organized effort of this group in study, research, and discussion of the fields of biomedical engineering and the dissemination of knowledge thereby gained. The chapter shall promote membership in the BMES by acquainting the student body with the ideas, purposes, and objectives of BMES.

Article III. Membership

- 3.1. Any person who is a full-time student enrolled in an undergraduate engineering or science program, which culminates in a bachelor’s degree, or in any graduate level degree program which will enhance professional competence, and who is also a Student member in good standing of BMES is eligible for membership in the student chapter.
- 3.2. All members of the student chapter are subject to the Constitution and Bylaws of the Biomedical Engineering Society.

Article IV. Officers, Directors and Representatives

- 4.1. The officers of the chapter shall be President, Vice-President, VP of Events, VP of Finance, VP of Marketing, VP of Communications and VP of Operations.
- 4.2. The directors of the chapter shall be Director of Events, Director of Marketing, Director of Communications and Director of Operations.
- 4.3. The President and Vice-President shall be selected based on interviews held by the outgoing President and Vice-President.
- 4.4. The Directors and Representatives will also be selected through interviews by the outgoing President and Vice-President.
- 4.5. The rest of the officers of the chapter shall be elected in the manner prescribed by the Bylaws of the chapter. They shall hold office for a period of one year if possible.

Article V. Constitution

This Constitution may be amended by a three-fourths vote of the members present at any regular/special meeting or via online voting (if meetings cannot be scheduled), provided that written notice of the amendments have been posted on the preferred mode of communication (or other appropriate notice boards) at least five business days prior to the date of voting. Upon passage, an amendment should be submitted to the Metropolitan Undergraduate Engineering Society(MUES)

headquarters.

Bylaws

BMES Student Chapter Toronto Metropolitan University

Article I. Dues

- 1.1. The annual dues for the BMES for Student members have been established at USD\$30.
- 1.2. The chapter membership shall be authorized to suggest a voluntary contribution to the chapter treasury; beyond the amount collected as the above membership dues. This amount shall not be remitted by the chapter members to the Society but shall be given directly to the chapter treasury for use by the chapter.
- 1.3. Students will individually be notified of their acceptance for BMES membership.

Article II. President & Vice-President Interviews

- 2.1. Interviews for candidates applying for the office positions of President and Vice-President shall be held no later than three weeks prior to the end of the Winter semester class period as outlined by the TMU academic calendar of the current year.
- 2.2. Interviews will be taken by the outgoing President and Vice-President. If the circumstance arises where either the President or the Vice-President wish to reprise their roles, elections will be held for both positions in the manner described by the by-laws.

Article III. Elections

- 3.1. The election shall be held no later than three weeks prior to the end of the Winter semester class period as outlined by the TMU academic calendar of the current year.
- 3.2. New officers shall take office on May 1st and continue through April 30th of the following year.
- 3.3. In the case of any vacancies within the team after the election period is over, the newly appointed President and Vice-President may hold interviews to appoint individuals to fill those vacancies. Special notice must be given to the rest of the team regarding the interviews through the preferred mode of communication at least five business days prior to the date of interviews.
- 3.4. No student shall be elected to office if either graduating or going on an Industrial Internship before completing at least one-half year in office. The elected officers must also have a clear academic standing.
- 3.5. All elections shall be by secret ballot.
- 3.6. A majority vote of all valid ballots shall be necessary to elect an officer. In the case of a tie, first membership seniority, and then program seniority will prevail. If a tie occurs again, then a coin toss performed by the Faculty Advisor and in the presence of at least three officers will break the tie.
- 3.7. Impeachment of any officer may be accomplished only upon presentation of just and reasonable cause for such action to the Faculty Advisor of the chapter and, upon the Faculty Advisor's approval, with a two-thirds vote of all enrolled members of the chapter, subject to review by the BMES headquarters.
- 3.8. The process of election including campaigning, timeline, complaints, counting, etc. shall be

according to the BMES TMU Chapter Election Guidelines.

Article IV. Meetings

- 4.1. The chapter shall hold regular meetings during the school year. Every effort will be made to call for meetings at least twice a month. However higher priority will be given to the meetings that occur before scheduled events.
- 4.2. Notice of all meetings shall be posted on the preferred communication mode at least three business days prior to the date of the meeting and may be further publicized in any manner the officers deem necessary and proper.

Article V. Duties of Officers, Directors and Representatives

- 6.1. The President, as Chief Executive of the organization, shall supervise the organization's affairs and activities. The President is the executive administrative, presiding and reporting officer. The President shall be responsible for public relations, publicity, and promotion of the organization's activities. The President will work with the Faculty Advisor and Society headquarters in all chapter and Society matters.
- 6.2. The Vice-President, who shall preside at meetings in the absence of the President, shall also supervise the organization's affairs and activities. The Vice-President's primary responsibility will be to overlook and assist with planning and execution of other VPs. They shall also ensure that a permanent record (minutes) of all meetings are prepared, kept, and posted on the chapter's important document database.
- 6.3. The VP of Events will be responsible for assisting the President in organizing and executing all academic and social events. They shall consult with the VP of Finance for event expenses, the VP of Marketing for promotion of the events, VP of Communications for event bookings and VP of Operations for inventory checks.
- 6.4. The VP of Finance shall be responsible for the financial records of the organization, for the disbursement of funds at the direction of the membership and with the approval of the Faculty Advisor, and for reporting in detail when requested by the membership. Income will be received through income producing functions approved by the membership and Faculty Advisor. A hard and soft copy of all transactions and receipts will be kept on file.
- 6.5. The VP of Marketing shall be responsible for promoting the events organized by the chapter via social media as well making in-class announcements for all years. They will be responsible for making posters prior to event launches as well responding to questions from students on social media platforms. Additional responsibilities may include designing new merchandise for the student chapter.
- 6.6. The VP of Communications shall be responsible for all event bookings and relevant logistics. They will serve as a medium for information transfer between all officers by moderating all communications and shall be responsible for posting all relevant information (including event promotion, and notices of all regular and special meetings) on the chapter's preferred communication mode.
- 6.7. The VP of Operations shall be responsible for maintaining the office and keeping a list of item inventory for the student chapter and shall relay this information to other officers whenever requested.
- 6.8. The Directors shall report directly to their respective executive officers and assist them with any tasks given throughout the year.
- 6.9. The Representative shall report directly to the President and assist with establishing communication

- between the chapter and the post-graduate/alumni network for events.
- 6.10. All officers are expected to attend all events and assist equally. In case any officers are unable to attend due to unavoidable circumstances, they must notify the President or Vice-President beforehand.
- 6.11. In any given year and at the discretion of the Faculty Advisor and the officers, the responsibilities of any of the above offices may be shared by more than one person.

Article VI. Awards Program

The chapter shall encourage its qualified members to apply for the Young Investigator Award, Graduate Student Awards, and Undergraduate Design Awards, sponsored by the Biomedical Engineering Society. Members may also apply for the BMES Annual Meeting held in the United States of America.

Article VII. Rules of Order

Robert's Rules of Order, Revised, shall govern the proceedings of all meetings for the organization and its committees.

Article VIII. Faculty Advisor

- 10.1. The Faculty Advisor shall be appointed annually, and the advisor's name and contact must be updated at the MUES headquarters.
- 10.2. The Faculty Advisor must be an Associate member, Member, or Senior member of the Society. They shall serve the chapter and the BMES as an intermediary and resource person.

Article IX. Amendment

These By-laws may be amended by a three-fourths vote of the members present at any regular/special meeting or via online voting (if meetings cannot be scheduled), provided that written notice of the amendments have been posted on the preferred mode of communication (or other appropriate notice boards) at least five business days prior to the date of voting. Upon passage, an amendment should be submitted to the Metropolitan Undergraduate Engineering Society(MUES) headquarters.
